	Our recreational dancers participate in as many or as few classes as they wish every week. This non-competitive training program is perfect for those new to dance, or those who participate in other sports or activities and just want to take dance for social, educational or health benefits. All recreational students perform in the year-end Showcase. Class placement is based on age and students need no experience.	The Performance Team is perfect for the dancer who is just wanting to get their feet wet in the Competition Dance world. Minimum one year recreational dance experience required.	The Competitive Team is for the dancer who wants to focus on training in a variety of dance disciplines. These dancers enjoy performing for and entertaining an audience. Minimum one year recreational dance experience required.	The Elite Team is for Middle/High School age dancers who are either considering pursuing dance at a college level or who are considering pursuing a career in the Professional Dance world. These dancers want to train in every genre and desire to be in the studio as much as possible. Minimum two years competitive dance experience required.
